NEXT YEARS EXHIBITION IS ON SATURDAY 18TH FEBRUARY 2012

Editorial

This collection of photographs is just a 'Snapshot' of our excellent 2011 exhibition, attracting 1340 visitors, and I hope I have captured a small flavour of what actually happened. On behalf of the club I would like to thank the organising team, led by Terry Silver and everybody who helped, and I do mean everybody. Those who helped to transport layouts, mark out the floor, set up and clear the hall, man the doors, stewards, electrical work, layouts operators, those who helped on the stands, and by no means last, a very big extra thank you, to those members who supervised the car park in such terrible weather conditions.
